5.12 to permit and not to obstruct access by any member or officer of the Council for the purposes of inspection of the Plot at any time, and following any such inspection to comply promptly with any requirement notified in writing by the Council in order to remedy any breach by the Allotment Holder of any of the terms of this Agreement.

5.13 at the termination of this Agreement to leave the Plot in good condition and in all respects in a state of compliance with all the terms of this Agreement.

6 Termination:

6.1 In the event of any serious or persistent breach or breaches by the Allotment Holder of any of the terms of this Agreement, the Council shall be entitled to serve written notice on the Allotment Holder requiring such breach or breaches to be remedied to the Council's reasonable satisfaction within one calendar month. In the event that the requirements of such notice shall not be complied with this Agreement shall be deemed to have been terminated and the Council shall be entitled to re-enter the Plot and upon such re-entry this Agreement shall be determined absolutely, but without prejudice to any claim which the Council may be entitled to pursue against the Allotment Holder arising out of any such breach or breaches.

6.2 The Council may further terminate this Agreement by giving not less than three months' written notice of termination expiring at the end of any year of the tenancy or at any other time in the event that the Council's own right of occupation shall be terminated.

6.3 The Allotment Holder may terminate this Agreement by giving not less than three months' written notice of termination expiring at the end of any year of the tenancy.

6.4 This Agreement shall be determined forthwith on the death of the Allotment Holder, following which his personal representatives shall ensure that the Plot is vacated in accordance with clause 5.13 hereof within one month. For the purposes of this clause the expression 'Allotment Holder' shall be deemed to include reference to the executors or administrators of other personal representatives of the Allotment Holder following his death.

Explanatory Note:

On the 1st June 2010 Hungerford Town Council (HTC) agreed to the appointment of the Hungerford Allotment Holders Association (HAHA) as managers of the Marsh Lane and Fairfields Allotments sites. This arrangement is formalised through a Heads of Agreement.

In practical terms HAHA will be responsible for the day-to-day administration and management of the site, reporting back to HTC on a regular basis. HAHA's involvement will be entirely on a voluntary basis.

The win for allotment holders is that, once lease rentals and other sums have been paid to HTC, the rest of the plot rental fees will be invested for the betterment of the Marsh Lane and Fairfields sites.

However it is emphasised that membership of HAHA is entirely voluntary and it is NOT NECESSARY to be a member of HAHA in order to be an Allotment Holder.

Note for those wishing to share an allotment.

Hungerford Town Council requires there to be a simple relationship of one "person" to one allotment plot. "Person" includes married couples (formally or de facto). Hence if you wish to share with a parent, child, sibling or friend then the plot will need to be formally split accordingly and you will each have to sign a separate Agreement. Please advise the HAHA Secretary if this is the case so that the Register can be revised accordingly.
